**c) We ensure any data collected is relevant and not excessive**

Voix de Vivre will not collect or store more data than the minimum information required for its intended purpose.

E.g. we need to collect telephone numbers from members in order to be able to contact them about group administration, but data on their marital status or sexuality will not be collected, since it is unnecessary and excessive for the purposes of group administration.

Data collected will only ever be used in the way described and consented to (e.g. we will not use email data in order to market 3rd-party products unless this has been explicitly consented to).

Every marketing communication will contain a method through which a recipient can withdraw their consent (e.g. an 'unsubscribe' link in an email). Opt-out requests such as this will be processed within 14 days.

## **COOKIES ON THE VOIX DE VIVRE WEBSITE**

A cookie is a small text file that is downloaded onto 'terminal equipment' (e.g. a computer or smartphone) when the user accesses a website. It allows the website to recognise that user's device and store some information about the user's preferences or past actions.

Voix de Vivre uses cookies on our website [www.voixdevivre.org](http://www.voixdevivre.org) in order to monitor and record their activity. We will implement a pop-up box on [www.voixdevivre.org](http://www.voixdevivre.org) that will activate each new time a user visits the website. This will allow them to click to consent (or not) to continuing with cookies enabled, or to ignore the message and continue browsing (i.e. give their implied consent).

It will also include a link to our Privacy Policy which outlines which specific cookies are used and how cookies can be disabled in the most common browsers.
